My Dear Parishioners:

"And Joseph also went up to Galilee...to be registered with Mary, his betrothed..." (LK2:1)

Some things never change! Like Mary and Joseph, we are asked to register with Corpus Christi by completing this simple census form.

It has been over 25 years since Corpus Christi has taken an accounting of parish families. Now, with the help of modern technology, our goal is to build a completely new database with information which will enable us to better understand the makeup of our parish, identify and better serve your needs, and discover the talents and skills within the parish.

The census form includes instructions, but if you have any questions, please contact the Parish Center (201-288-4844-ext.132). In addition, census committee representatives will be available the weekend of April 2-3 to personally assist you in completing the form.

We thank you for participating in the census. Remember that every person is important and every person has a place in Jesus' mission. As our very parish name reminds us, we belong to Corpus Christi, Latin words that mean the Body of Christ. Like the human body, every member is important to the whole.

Sincerely in Christ,
Reverend Lewis V. Papera - Pastor
