# Where Faith and Knowledge Meet...

*Corpus Christi School* was established as a parish school in 1928. New Jersey state certified lay teachers staff the school.

## Early Childhood Curriculum

*Corpus Christi School* offers half day and full day PreK3, PreK4, and full day Kindergarten. Children participate in daily programs of religious and academic education that forms the basis for morally and intellectually healthy young people. Offered in a happy, nurturing environment, the Early Childhood Curriculum includes:

- Development of social skills
- Color, number and letter recognition
- Introductory reading and mathematics
- Family-oriented religious training
- Art, music and physical education

## Elementary Curriculum

The core curriculum at *Corpus Christi* places a strong emphasis on the mastery of reading, math and science skills. In grades 1 through 5, the development of thinking skills and the ability to work through problems are enhanced by the fostering of self-worth, self respect and respect for others. The integration of a strong Christian value system is reinforced throughout the elementary years.

- Religion
- Reading • Phonics
- Spanish (beginning in 5th grade)
- Science and Health
- Social Studies
- Mathematics • Computer Science
- Art • Music • Physical Education

## Junior High Curriculum

The Junior High program is geared toward preparing our students for the academic rigors of high school. In addition to more advanced academics, the students participate in the preparation of Liturgy and are involved in various community service projects.

The core curriculum for Junior High includes:

- Religion
- Science and Health
- Pre-Algebra and Algebra
- Literature • Language • Arts • Drama
- Social Studies • Spanish
- Computer Science
- Art • Music • Physical Education

## Technology for Students And Parents

*Corpus Christi School* uses PowerSchool, an interactive software school tool, developed by Apple™ that enables both teachers and parents to better partner and communicate with the school to help achieve academic success at all levels.

The entire school is hard-wired for Internet usage with appropriate "controls" for all age levels.

All teachers and school administration can be reached during non-school hours for questions and comments via their own email addresses. In addition, class assignments and projects can be confirmed through the class website.

School information can be found at [www.corpuschristischool.net](http://www.corpuschristischool.net).
